

Google search  birmingham library catalogue

Your search results should display

online catalogue - library of birmingham (click this link), a new page will appear, click the link in the top right corner  **Library Catalogue**

This page will now display the **Navigation** box which is in the left hand corner of your screen.

The **navigation** box contains the help link which provides essential information that you will need to place reservations independently and access the catalogue.

Click on to **(+) help** in the Navigation box, doing this will expand the contents of the help menu which will look like this

(-) Help

- Finding information
- FAQ
- How to
- Using my account

taking time to use all of the links in the navigation box will inform you on how to use the online catalogue.

Library Services at Home retain your borrower ID and PIN number which you will need when placing a reservation so please call us direct on 0121 464 1118
Only choose **Library Services at Home** as the pick up location when reserving any items and not your nearest or previously used library. You can **only reserve** Dvd's or Music discs / cassettes from Library Services at Home stock.

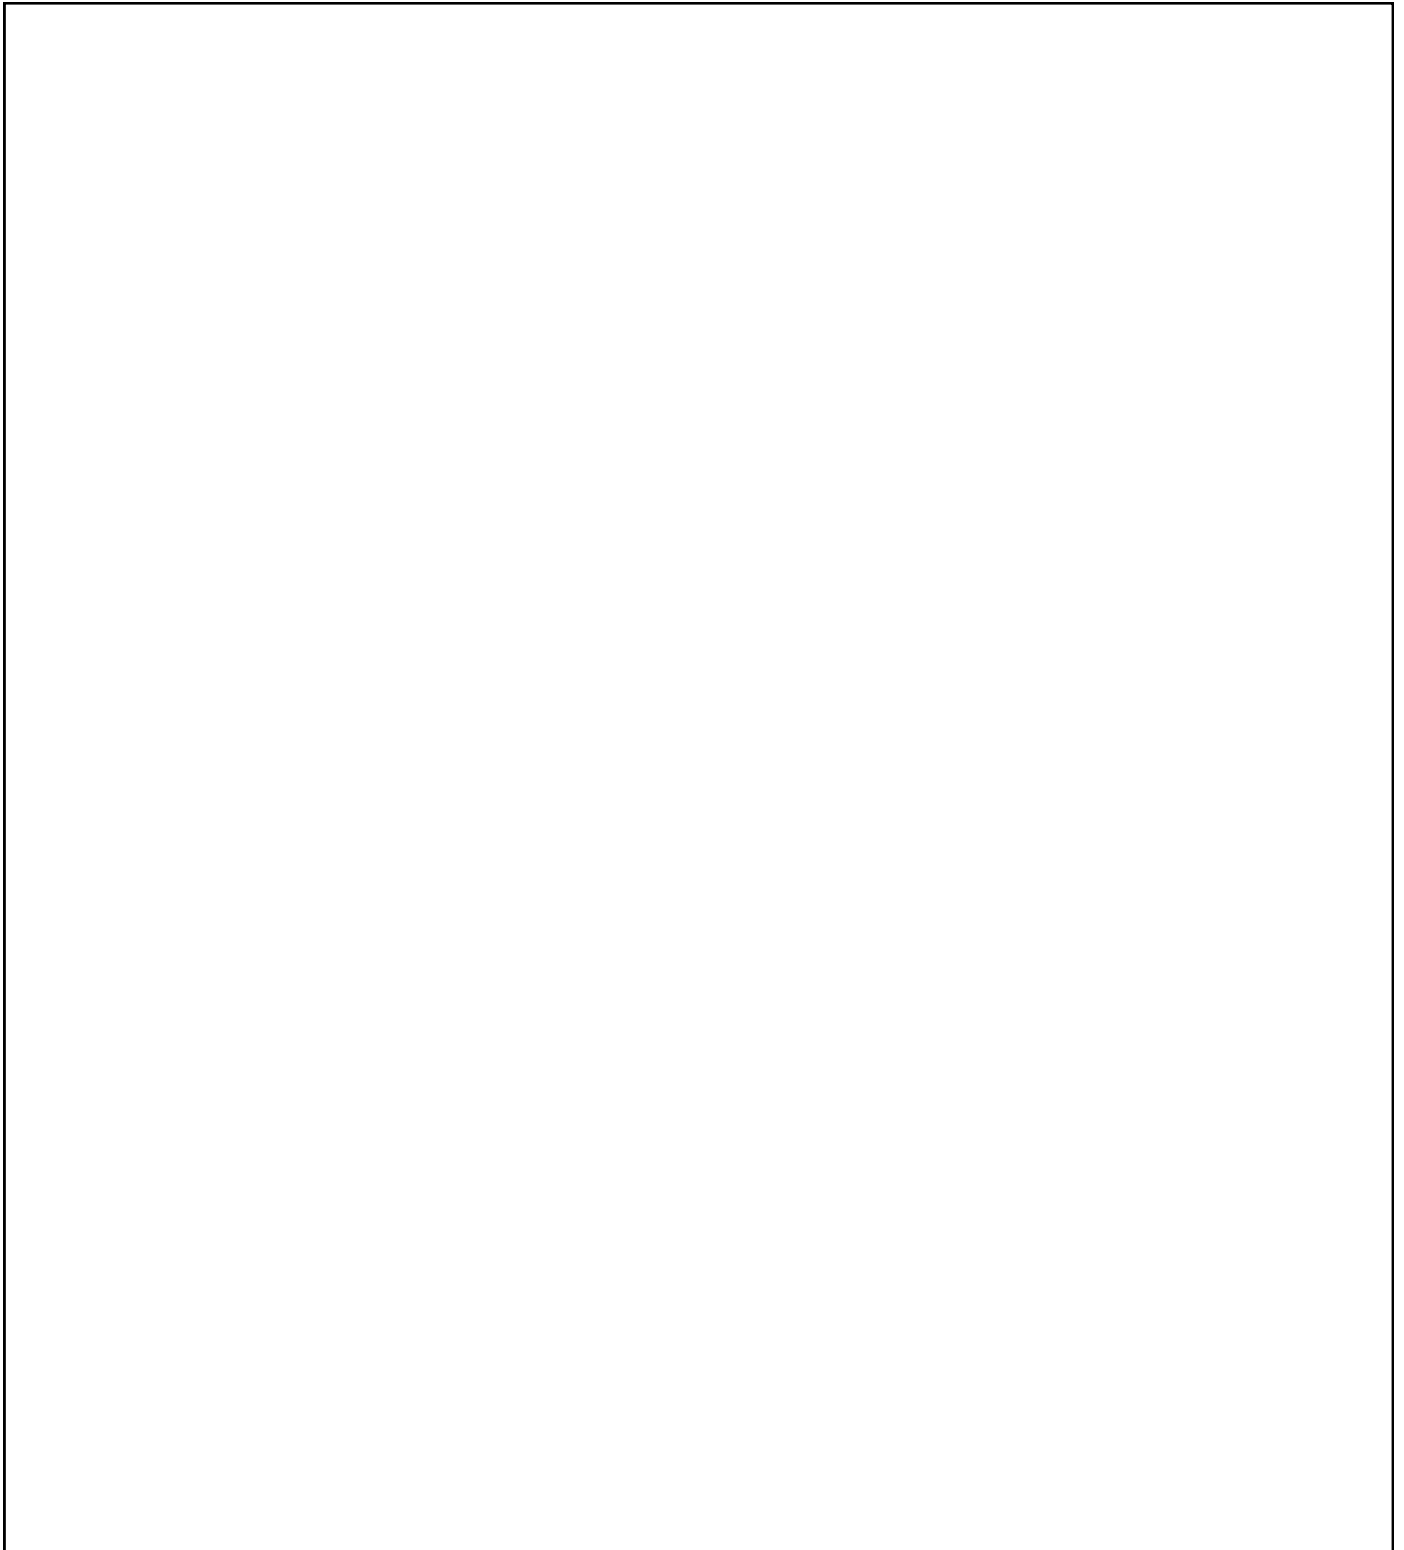

record your PIN number here

record your borrower ID number here
